PROMOTIONAL TEXT (106 / 170)

Where DJs and producers meet real opportunity. Discover gigs, share mixes, and connect with the community.

DESCRIPTION (956 / 4,000)

R/HOOD is the opportunity platform for DJs and producers. Discover gigs, share mixes, connect with other artists, and build a profile through the work you actually do.

WHAT YOU CAN DO

- Browse and apply for gigs, studio sessions, collaborations, and campaigns
- Upload mixes and listen to DJs from the community
- Build a profile with your bio, genres, location, and links
- Message and connect with other DJs
- Follow opportunities in your city

HOW MEMBERSHIP WORKS

R/HOOD is a community for working DJs and producers. After you create an account, your application is reviewed by the R/HOOD team. You will get an email if you are approved.

CREDITS

In-app credits are earned through activity such as referrals, achievements, and completed gigs. Credits cannot be purchased with real money. There are no in-app purchases.
